Summary of your organization's response to Hurricanes Matthew and Florence:

For Hurricane Matthew and Hurricane Florence NCCUMC continues to provide Case Management and Construction Rehab and New Home Construction from eight Recovery Centers located in Beaufort, Edgecombe, Cumberland, Robeson, Columbus, New Hanover, Onslow and Carteret Counties. NCCUMC also has six additional Volunteer Housing Centers in Hyde, Pamlico, Jones, Bladen, Brunswick and Pender Counties. NCCUMC continues to provide Early Response work on Ocracoke Island and are moving forward with establishing a Long Term Recovery Operation. NCCUMC has partnered with the Newly Formed Long Term Recovery Coalition and other Organization to meet the ongoing unmet needs at Ocracoke.

What your organization provides:

Full Case Management and Home Rehab and New Construction. Provide other unmet needs when there is no other resource to provide those needs.

Existing unmet needs/areas your organization has found:

NCCUMC has not been able to locate a Facility for Volunteer Housing for Long Term Recovery in Craven and Jones Counties. NCCUMC is currently setting up two new Mobile Homes in Trenton to house Volunteer. This Recovery Center will enable NCCUMC to house Volunteers closer to Homes of clients in Craven and Jones Counties that need to be rebuilt.
